Special to This Newspaper

National 4-H Week was Oct. 7-13. It’s a very important week to 4-H and 4-H clubs. National 4-H Week is a time, once a year, when everyone sports their 4-H hats and shows their support for 4-H.

This year, the National 4-H Week theme was “Inspire Kids to Do,” which is why the Star Route 4-H Club decided to donate to Man’s Best Friend. Also known as Doc’s Rescue, this animal-loving organization is a 501(c)(3) nonprofit organization, and it provides adoption services for homeless animals. Located on Evan Hewes Highway, Man’s Best Friend is always in need of food and cleaning supplies for their many cats and dogs. To celebrate National 4-H Week, members of the Star Route 4-H Club donated Pedigree Dog Food, Purina Cat Chow, and cleaning supplies.

Clara Walker is reporter for the Star Route 4-H Club.

This non-profit organization is always looking for donations. Please consider donating to Doc’s Rescue today!
