Livestock Recommendations

In order to make each California Mid-Winter Fair better than the last, the I.V. Expo Fair Board accepts recommendations made by the 4-H program on an annual basis.

If you have recommendations you would like to make, please submit them to Chico Magana, Sherry Robertson, or Matthew Smith as soon as possible – Ideally by the Leaders Council Meeting on April 4th. **At the Livestock Leaders' Meeting on April 18th, all recommendations to be considered will be presented in writing.**

Clubs can discuss the recommendations during the following month, and all recommendations will be voted on at the Livestock Leaders' Meeting on May 16th.

Message From the I.V. Expo Regarding Auction Checks

First release is Thursday, April 18th at the livestock leaders meeting when buyer payments are made by April 11th. The second release is Thursday, May 16th, at the livestock leaders meetings when buyer payments are made by May 2nd. Please have the leaders pick them up at these scheduled meetings or from your office. As a reminder, we do not want people to contact the bank or the fair to ask when buyers have paid. It only distracts the bank from doing their work and perhaps delay the release of the checks. Also, please do not contact the fair regarding buyer payments as we do not get a daily listing of who paid, the bank handles payments and provide the fair with reports with the check distributions. Remember, exhibitors will get their check when all the buyers and add-ons have been paid.

Dear 4-H Program Staff, 4-H Families, and Volunteers,

The economic climate has continued to sustain fiscal challenges facing 4-H programmatic support.

Last year we shared that UC Cooperative Extension and 4-H at the state level is no longer able to absorb all costs and that fee increases were necessary to support our local programming. The 2013-2014 program fees are \$12.00 per adult and \$34.00 per youth.

These program fees will be used to provide partial funding for direct local program support including critical 4-H staff that supports our local programs.

We continue to encourage everyone to strategize together around the development of a local funding plan to keep 4-H strong and growing. The California 4-H Foundation is a valuable resource with whom to partner in developing such a plan.

Many counties have been successful in developing and moving forward with local funding plans. They have worked to provide program fee scholarships, partial and full fee waivers and provide other support.

Thank you for your work and dedication to provide our future leaders with a strong 4-H program.

Sincerely,

A handwritten signature in blue ink that reads "Connie Schneider".
